YEAR OF THE DRAGON

Join us for another season of fun & great family entertainment. Every weekend we will offer lots of free activities including hay rides to the pumpkin field, bale maze, kids games & family adventures.

In addition we will once again have our annual corn maze. This year is the **DRAGON MAZE**. This includes two mazes in one (one shorter & planned for small children). The big kid/adult maze is Dragon Quest. We will also offer a great selection of pre-planned group packages. Custom group trips are also available. You can start booking your groups activities and tours now!
